Marlborough 2024 WINEMAKERS BLEND GEWURZTRAMINER- RIESLING- PINOT GRIS

Vineyard

The Riesling, Pinot Gris, and Gewürztraminer grapes are grown in the Wairau Valley.

Winemaking

The grapes were machine-harvested and gently pressed. The juice was fermented at a low temperature in stainless steel tanks to preserve its aromatic intensity and freshness.

Tasting comment

This is a delightful wine that reveals new dimensions each time it is enjoyed. Gewürztraminer contributes floral and spicy notes with weight, while Riesling adds citrus brightness, length, and structure. Pinot Gris brings stone-fruit character and a lovely texture. The wine expresses elegant aromatics and vibrant, juicy fruit flavors with a rounded mouthfeel and a supple, fine chalky texture.

Technical data

Alcohol:13% | TA: 4.9g per L Residual sugar:5.6g per L

Varieties: The blend consists of equal parts of Gewürztraminer, Riesling, and Pinot Gris
